**COME JOIN IN THE FUN**

Each artist has selected one of the 4-H Project Areas to represent through his/her art medium.

After the exhibition, all pieces will be donated to the 4-H Spring Auction.

The art pieces will be judged & prizes awarded to thank the generosity of the artist.

The Lapeer 4-H reached over 1,700 young people with positive educational experiences in 2009-2010 through clubs, camps, leadership training, community service activities, special events & school enrichment programs.
